The **Augusta** Collection is constructed from Canadian harvested solid birch, high quality birch plywood and European solid beech. All pieces are constructed and painted in Canada with coatings formulated in accordance with the Consumer Product Safety Improvement Act of 2008. Augusta is available in Kidz Decoeur's full colour palette.

The finished drawers feature English dovetail assembly with soft close roller bearing glides. Drawer boxes are fully finished and clear coated eliminating possible tears and snags on clothing.

All pieces in this catalogue are shown in Kidz Decoeur's rich White or Linen finish. The default hardware is the Augusta Knob. Optional hardware is available.
