College Woodwork's Cranbrook collection was designed for the contemporary Master Bedroom. The wooden slat roll mattress support comes standard and does not require a box spring for your mattress.

Made in Canada with Canadian Birch, the Cranbrook tops, trims and drawer fronts are all solid wood. The finished drawer boxes feature English dovetail assembly with soft closing roller bearing glides. Drawer boxes are fully finished and clearcoated, eliminating possible tears and snags to clothing. Hardware options are unavailable. Optional wooden (WD) block leg available when order is placed. Wooden leg as shown in Grandview collection.

**Unless otherwise noted, all pieces are shown in Cocoa.**

Will not accommodate under bed storage units. Solid rails & wooden mattress support.

Please note, due to the variance in grain, density and the texture of real wood, these colours will be close but may not be exactly as shown on your finished piece.

NB: Natural finish is not recommended due to grain variations between Beech and Birch woods
